

# Start off February School Vacation by Joining the PTO at Mad Science Night

Mad Science is a nationally known provider of science enrichment for school age children. A member of their team will perform a science based show that is both fun and educational

Friday 2/12/10

Doors open at 6pm

Show starts at 7pm

(show lasts 45 minutes to 1 hour)

Science activity booths will be set up for hands on experiments before and after the show and raffles will be held for science themed prizes!

This event is sponsored by the PTO and is **free** to all St Joseph School families  
Snacks and drinks will be available

Parents are expected to supervise their children during the show
