

Dear Parent,

7NEWS wants you to know that you can be notified on your cell phone as soon as your child's school closes or delays classes because of a snow storm.

If you're interested in taking advantage of this convenient feature, just go to www.whdh.com and click on "Snow Day Alert." You will need to input your cell phone number, the name of your carrier and can then choose the schools you are interested in hearing about. You can easily add or remove schools from your profile at any time.

Sign Up

Signing up is simple and receiving the alert is free. **Note:** Your cell phone provider may charge you a fee for receiving text messages. Check your plan with your carrier.)

To activate the service, fill-out the form below and click the **Continue** button. To verify your entry and identity, you will be sent an activation code to your mobile device. Your settings will not be saved until you enter that code into the next screen.
