

With Christmas just around the corner and everyone living such busy lives, do you ever wonder how you'll get all your shopping done! Well here is a great idea, not only will it save you time; you won't have to worry about picking the wrong gift and it will help the students of Saint Joseph School.

What is Scrip? SCRIP allows non-profit organizations to purchase gift cards for everyday use or to give as gifts. The retailers provide the school with a rebate of 2-16% of the gift card cost. (Rebate percentages on Family order form.) For more information go to www.shopwithscrip.com

HOW DO YOU DO IT: Buy gift certificates or "scrip" from us for the places you normally shop at and every time you buy one of these cards (issued by the stores), a percentage of the price of the card goes to Saint Joseph School to benefit the students.

WHAT STORES CAN YOU GET SCRIP FOR: The list of participating retailers is astounding (2 page order form). They include: Restaurants, Macy's, T.J.Maxx, HomeGoods, Target, Bath & Body Works, Lowe's Home Improvement, Toys R Us, and many other local stores.

WHY SHOULD YOU PARTICIPATE:

- *It is painless and cost you nothing extra.*
- *It will save you time and money, especially with the price of gas,*
- *Do your shopping from home*
- *You buy what you would normally buy, and spend what you would normally spend.*
- *You don't have to sell things to friends and family that they don't want, because this is an idea they will love,*
- *The cards make great gifts.*
- **Most importantly you are contributing to the students of Saint Joseph School.**

SO WHAT DO YOU NEED TO DO: Turn your order forms into the school accompanied by cash or check, payable to Saint Joseph School for the full face value of the gift cards. Orders due Monday, 12/4/17. Gift Cards sent home by Friday, 12/15/17.

If you have any questions, please contact Tracy Travers at ttravers@sjsf.dfrcs.org or 508-996-1983.
