TIME to RE-ENROLL

The first half of this school year is coming to completion, and once again, we are preparing for the 2022-2023 academic year.

The re-enrollment process continues to take on a different sense of urgency as we continue to receive calls from many new families interested in joining our school community. The wait list is not as long as last year, but we have a couple of classes that have the potential of filling quickly. While this is a wonderful problem to have, it requires us to ask families to re-enroll their child or children early in order to not risk losing your their "seat" in next year's class.

Our commitment remains with serving our families and we want to be sure every family has the opportunity to continue sending their child to this St. Joseph School!

Re-enrollment begins January 11, 2022

Open Enrollment begins February 7, 2022

COVID 19 Reporting

For the week between 1/5/22 - 1/11/22

Number of school members testing positive for Covid-19 = **8**

Close contacts = **0**

As always, St. Joseph School will continue to take all necessary precautions to keep students, families, and staff safe and healthy, but we need cooperation from all families when students are not in school. Please remember, if you or a family member are experiencing symptoms or test positive for Covid-19, please refrain from sending your child(ren) to school.

We ask for your continued vigilance in following protocols, assuring social distancing, wearing face masks, and frequent hand washing while outside of the school community.

Thank you for your continued diligence in reporting positive COVID cases to the CSO and your school community.
