A Message from Mrs. Piazza

Dear Families,

As this unique school year comes to a close, it has given me time to reflect on our school year and how much our school community has grown at SJS in the past two years. As I start to prepare for the next school year, I ask that you take a few moments to fill out the [Principal Evaluation Survey](#) provided by the Diocese of Fall River Catholic Schools Office. This survey for (parents/teachers) is anonymous, and I encourage you to be honest with your responses so that it will provide us with the best information moving forward.

The St. Joseph School Advisory Board and our leadership team will review the survey results as we strive to provide a safe learning environment that meets the needs of our students, staff, and families.

My team and I look forward to receiving your feedback, and we thank you for your commitment to Saint Joseph School and Catholic education. As always, please reach out with any questions or concerns.

Rainbow Room

We will now be accepting uniform donations for the Rainbow Room. We are looking for some volunteers to help organize the uniforms in preparation for a uniform exchange night. Please note that we are only accepting gently used Donnelly uniforms--please no holes or grass stains! ;)
