WHAT'S GOING ON

Our first week was successful! Our students seem to be starting the year off with positive outlooks. We welcomed our Kindergarten class on Thursday and will be welcoming our preschool and preK students tomorrow. We celebrated Mass on Friday and the children were fabulous. I was so proud of their participation and Mass behavior. Please know that families are always welcome at our First Friday Masses which are celebrated at St. Joseph Church at 9AM.

At Mass our school year theme, Holympics, Champions for Christ, was introduced. We are champions in training! Just like all athletes train for their sport, we are training for Christ. Along with your help, we will assist our students in exercising kindness, manners, and positivity. Let the games begin! On Thursday, September 7th, we will have our Opening Ceremony complete with the carrying of the "torch."

REMINDERS

Gentle reminder that there is no parking and leaving your vehicle in the drop off or pick up line UNLESS you must quickly unbuckle a child from a car seat. I understand if you have a younger child in the car, you may not be able to park in the street to walk your school aged child over to the door.

Preschool and PreK students ONLY may be dropped off at the semi circle for morning care between 7:00AM and 7:45AM. All other students are to use the main entrance.

If you are in need of school insurance, it can be found on our web page under FORMS.

We are still working at being more successful with FACTS SIS - we will pass on anything we learn about the family portal.

Lunch - once your child chooses a meal in the morning, they cannot change it at lunchtime.
