

# NEW Student Referral Program

Many of our families initially hear about Saint Joseph School through a personal referral from an existing school family or employee.

We would like to reward you for promoting our school to your family and friends!

Through our New Student Referral Program, your family can receive a one time \$500 tuition credit (employees will receive \$500 stipend) for every student you refer to our school who enrolls and completes a full school year. In addition, the family you refer, will also receive a one time \$500 credit to their student's tuition.

Please complete the information to the right and turn it in to the school office.

Thank you for your support!
